

Agreement for 40 % off program for patients who are non-insured.

In order to participate in the 40% off program the following conditions will apply:

1. Scheduling of appointments will be at our discretion and will usually be scheduled late mornings or early afternoon during non-peak office time. In addition, it is unlikely that appointments will be scheduled during holidays and during periods of time when school is not in session such as Thanksgiving week and Christmas, Summer and Spring breaks.

3. The No-Show fee will be \$50.00 per patient per appointment missed without a 24-hour advance notice given to the office. No-Show fee will be waived if documentation is received from a physician that patient was ill and not able to keep his or her appointment for dental treatment and notification was given before appointment time.
4. In the case that urgent treatment is wanted or needed and appointment must be made during peak office times, 40% off pricing will not apply.
